

Production Worker/General Laborer

American Lumber, Inc. is a leading manufacturer in the lumber industry. We take pride in having a team-oriented work force that is committed to helping achieve our goal of ensuring every customer's request is fulfilled to their satisfaction. EVERY EMPLOYEE MATTERS, as they are the life and breath of the company. We are growing quickly and are looking to add new team members for the following positions:

Production Workers/General Laborers

In these positions you will stack cut lumber, band, or grade the lumber. There are plenty of options for advancement within the company.

To be successful in any of these positions the following will be required:

****Must be able to read tape measure, stand for long periods of time and lift 20-30 pounds consistently****

Must be a team player, willing to work with all other team/family members

****Must pass a pre-employment drug screen****

Company provided PPE (Personal Protective Equipment)

BENEFITS INCLUDE: Company Matching 401K, Blue Cross Blue Shield Health & Dental insurance, Paid Vacation, Health Savings Account, Birthday Celebrations, Company Provided Lockers

Pay starts at \$12.50 per hour, PLUS you can earn an additional \$1.00 per hour every week for perfect attendance!!

Work week is Monday-Friday 6:30am to 3:30pm (NO NIGHTS and NO WEEKENDS)

WE HAVE a great **SAFETY INCENTIVE PROGRAM** in which employees can win **\$100 monthly just for following all safety policies**. This program also consists of other **quarterly awards** and a **special yearly award** for each employee that has no injuries or accidents for the year.

WE ALSO OFFER an exciting **REFERRAL BONUS PROGRAM** to our employees that refer other successful team members to us. Each referral is worth **\$500**, and you can refer as many times as you like. Pay-out is **\$250.00** after person referred has completed 30 days employment, and **\$250.00** after completing 60 days employment. (Candidates must meet all requirements for employment with the company)
