Donating Just Got Easier!

Convenience means more jobs for Vestavia.

VESTAVIA, Alabama, April 23rd, 2021 — Alabama Goodwill Industries understands that donors need a quick, easy, and convenient way to donate, where their donations will be handled with care. Alabama Goodwill Industries (AGI) is excited to share a new convenient place to donate!

AGI will be opening a new attended donation center in the Cahaba Heights area that is sure to make donating easier. When a donor pulls up to donate, a donor greeter will greet them with a smile within 10 seconds, then unload their donations, offer a donation receipt, thank them for supporting our mission and send them on their way! Community members may join the AGI Team for the Grand Opening/Ribbon-cutting on Thursday, May 13th, 2021 at 11am, where there will be giveaways to celebrate this convenient way to give back!

This new donation center created 4 new full-time jobs for your neighbors and supported a capital investment of over \$110k! When you support Goodwill, every donation you bring helps prepare someone for a job or gives them the training they need to advance.

“This is a significant way to support job growth in our community,” said David Wells, President and CEO of Alabama Goodwill. “We sell those donations in our stores to support our FREE training programs and our FREE Career Center that connects job seekers with jobs.”

Career Centers offer FREE services to all individuals looking to gain the skills, training, and resources necessary to obtain employment. AGI offers FREE programs like Smart Work Ethics, Employment Development Services, Work-based Learning, Digital Skills Literacy Training and more!
