OUR MISSION

Through generous donations, we strengthen communities, eliminate barriers to opportunity, and help people reach their full potential through learning and the power of work.

ABOUT US

Alabama Goodwill Industries is an independent, locally governed Goodwill nonprofit organization serving its designated territory in Alabama.

We serve 38 counties across the state of Alabama, and we are locally led and governed by a volunteer Board of Directors drawn entirely from our region - ensuring that decisions are deeply invested in supporting and growing the communities we call home.

When you donate or shop at Goodwill, you help fund job training, employment placement, and career development programs that give people the skills and confidence they need to thrive in the workforce.
